

Northamptonshire County Scouts has an ambitious plan to grow Scouting within the County by opening approximately 7 new Groups this year. Here in Nene Valley District we are hoping to open at least 2 new Groups alone. One of the places earmarked for a new Group is Thrapston, which is a rapidly growing town located centrally in East Northamptonshire.

The Nene Valley Scout District covers the same area as East Northamptonshire Council with the majority of Scout Groups located in and around the Rushden area. Thrapston previously had a Scout Group some years ago which amalgamated with Ringstead however, since that time the town of Thrapston has grown significantly. This District is aware of the need for a Scout Group located centrally within the town to serve the expanding population of Thrapston.

Ultimately we hope to cater for boys and girls of all ages in the following sections;-

- Beavers 6 – 8 years
- Cubs 8 - 10½ years
- Scouts 10½ - 14 years
- Explorers 14 – 18 years

To be able to provide Scouting fun and adventure to the many children in the area we firstly need leaders. Can you help us? We are looking for keen adults to help establish a new Group in Thrapston. Do you have skills like sailing or canoeing etc that you can pass on to young people? Would you like to give something back to your community or perhaps you have recently moved to this area and would like to get involved in Scouting again.

Please contact Nene Valley Scout District if you or your children are interested in becoming members of Thrapston Scout Group.
